I was a Fellow Member of the HKIHRM in the 1980s. I served as the Human Resources Director of the MTR Corporation until my retirement in 2012. After retirement, I joined various Board of Statutory Bodies and Listed Companies, where I chaired their HR / Remuneration Committees. I firmly believe that human resources play a crucial role in the development and success of a company, and I promote HR Management at the Board level. I would be interested in meeting HR professionals who would like to share experience and discuss strategies.
